

new to research using administrative datasets?

QCHDS presents a step-by-step guide to the data application process, resources and privacy preserving protocols. Gain insight to what Queensland Health and Data Custodians require, with the opportunity to ask questions and meet other researchers.

**Monday 12th October 2009**  
**9am to 1pm**

Registration opens 8:30am  
Ground Floor, Main Auditorium, UQCCR  
Royal Brisbane & Women's Hospital  
Herston, Queensland, 4029

# negotiating the world of health data

resources, privacy, ethics, and custodians

## guest speakers ◀

**Dr. Jane Jacobs – Office of Health & Medical Research, QH**  
*QH Research Ethics & PHA Processes* ◀

**Kathy Harvey & Jacelle Lang – Qld Trauma Registry**  
*Data Custodian's Perspectives* ◀

**John O'Brien – Health Statistics Centre, QH**  
*Protecting Privacy in Health Data Linkage* ◀

**Kit Loke – Health Statistics Centre, QH**  
*Data Linkage in the Health Statistics Centre* ◀

**RSVP** to [qchds@uq.edu.au](mailto:qchds@uq.edu.au) or call Marisol on 07 3365 1401 ◀

- The workshop is limited to thirty people ◀
- Please RSVP a brief outline of your research ◀
- Morning tea and lunch will be provided ◀
- Please advise us of any special dietary needs ◀
